I WANT TO PLEDGE MY SUPPORT 14:1 PLEDGE

An independent review of the value of donated dollars produced by PATHWAYS assessed a dollar value of \$14 worth of service from every one dollar received!

14:1

With other well respected non-profits producing \$2-5 dollar value – we want to shout our fiscal and societal success from the rooftops!

14:1 is the campaign providing Capital Funding to enable our move to a purpose built location in 2016.

For more information, a copy of the independent review, or a tour of our current facility please call Dave MacDonald at: 778-918-**1421**
